---INSURANCE BILLING:

For our office to accept assignment of benefits from your dental plan, we ask that you read this document and accept the guidelines and policies set forth.

- 1) Your dental plan is a contract between you and your insurance carrier. We are not a party to that contract. It is your responsibility to understand your benefits as defined by your plan.
- 2) You are responsible for payment of all charges incurred in this office. Some, if not all of your treatment may not be covered by your dental plan. You are responsible for any finance charges on any outstanding balances. Future services, both dental and clerical may be refused until the balance is cleared.
- 3) If your dental plan has not paid the assigned balance in full by 90 days from the date the charges were incurred, we require you pay the balance.
- 4) We will not bill our dental plan unless you provide us with accurate information required by your plan in order to submit for a dental claim.
- 5) If necessary, we will submit a claim for payment twice to your dental plan. However, if there is no resolution, it is the responsibility of the insured to contact their dental plan and seek payment. We will only provide further assistance once the balance is paid in full.

I have read the above and I understand and agree to abide by this policy. I authorize my insurance carrier to assign dental benefits to this office. I also authorize the release of any information necessary to process my dental claim.
